Make Your Own Bat

Supplies:

- Egg Cartons
- Scissors
- Glue
- Black Paint
- Eyes (googly eyes or paper ones work too)

Directions:

For this project you need 3 sections of an egg carton.

Start by cutting out the wings by cutting away a scallop edge for both of the end sections of the egg carton.

Paint the bat black and let dry.

Glue on the eyes and your done.

You can string them up to hang if you wish.
